TESTIMONIALS

Elliot Goblet was the first Australian comedian I ever saw. When he did stand-up in my television, it was my idea of funny. I have since been lucky enough to share a stage with him, and every time he has been just as funny as he was when I first saw him. He writes jokes I’m jealous of, makes me laugh and remains my idea of an Australian comedian – **CHARLIE**

PICKERING

Elliot Goblet is without question one of the founding fathers of the alternative stand up comedy scene in Australia and remains one of the strongest, funniest and most reliable acts in the country today - LEHMO
It takes a great deal of skill to write punchline after punchline which is what he has always done. Elliot Goblet delivers wall to wall jokes; no padding, nothing unnecessary just laugh after laugh – **JUDITH LUCY**
