

## NELSON TWINS – Comedians/Leadership/Team Building

The Nelson Twins are one of the most unique stand-up comedy acts in the world, gaining attention with their big bush ranger beards and cracking one liner jokes.

Growing up in the small town of Walbundrie, the boys have been performing for 15 years, having graced the stage in all parts of the world. Their TV credits include CBS's World's Best, Australia's Got Talent, Britain's Got Talent: The Champions, The Footy Show, Australian IQ Test, Before the Game, The Project, National Geographic's How To Win At Everything and a host of TV commercials.

As well as being talented actors and comedians, the boys are also qualified school teachers, putting their skills to good use when facilitating their 'Stand Up And Be Counted' program; a hugely enjoyable teambuilding workshop focussing on LEADERSHIP, TEAMWORK, ATTITUDE, PUBLIC SPEAKING & WELLBEING. The twins have had great success facilitating the Stand Up And Be Counted workshop in professional sporting clubs, corporate businesses and secondary schools.

The Nelson Twins cheeky humour and ability to adapt material to young and older audiences makes them a 'must see' for your next event.
